| Responding                   | 40%                       |              | Task 1A: Maintain a reflective journal and respond to a series of focus questions across your reading and viewing.  
- understand the way attitudes and values are presented  
- gather different viewpoints |
|                              | 5%                        | Semester 1  
Week 1–4 | Task 2: Short answer responses to questions based on studied texts.  
- explore attitudes, text structures and language features to understand a text’s meaning and purpose  
- examine relationships between context, purpose and audience |
|                              | 10%                       | Semester 1  
Week 5–8 | Task 5: Panel discussion exploring at least one workplace issue from a range of viewpoints and perspectives. Each group to create an infographic which summarises its findings for distribution to the class. Panelists are expected to be aware of workplace rights and obligations.  
- express a logical point of view about an idea, issue or event  
- listen actively; be prepared to assert personal views |
|                              | 5%                        | Semester 1  
Week 13–15 | Task 6: Explore how some perspectives are privileged while others are marginalised or silenced in at least one reading and/or viewing text you have studied this year.  
- consider how some perspectives are privileged while others are marginalised or silenced  
- evaluate the evidence upon which different views are based |
|                              | 10%                       | Semester 2  
Week 1–4 | Task 8: Individually, or in pairs, research a range of different viewpoints on a controversial issue in popular music culture and examine the role of social media in communicating perspectives and shaping viewpoints. Your presentation to the class may include video clips, recorded music or printed lyrics and should consider how and why some viewpoints are given preference over others.  
- analyse issues and ideas in texts and explain perspectives and implications  
- discuss the way ideas and information are presented in texts |
|                              | 10%                       | Semester 2

| Creating                      | 10%                       | Semester 1 | **Task 1B:** Group presentation to the class which conveys a range of perspectives on one social issue facing young Australians and explores some of the values underpinning these perspectives. The aim of the presentation is to engage, inform and educate.  
  - plan and carry out projects in small groups, sharing tasks and responsibilities  
  - distinguish different perspectives about the main ideas in texts |
|                              | 10%                       | Semester 1 | **Task 3:** Create a digital or print multimodal feature article for a website or magazine of your choice, exploring how one television series/program presents the world in a particular way.  
  - select text structures, language features, and visual techniques to communicate and present ideas and information  
  - consider how different perspectives and values are presented in texts |
|                              | 10%                       | Semester 2 | **Task 7:** Write a series of journal entries/a diary entry/an extract from the autobiography of a character in a dystopian/post-apocalyptic text to provide a perspective on an event or events in the text to appeal to the beliefs, attitudes and values of a particular audience.  
  - explain how texts use language to appeal to the beliefs, attitudes and values of an audience  
  - consider how attitudes and assumptions are presented in texts |
|                              | 15%                       | Semester 2 | **Task 9:** Working cooperatively and collaboratively in groups, create and publish a magazine similar in format to the West Weekend, targeting a specified audience. Communicate to this audience a range of relevant information using different types of texts and include original photographs and advertising.  
  - consider how attitudes and assumptions are presented in texts, including the use of media, types of texts, text structures and language features  
  - integrate text structures, language features and visual techniques to engage and persuade audiences  
  - recognise when to work with others and when to work independently |
| Externally set task           | 15%                       | Semester 1 | **Task 4:** A task set by the SCSA based on the following content from Unit 3 – <teacher to insert information provided by the Authority> |
| Total                        | 100%                      |             |                |
