

## **Application for recording of achievement in senior secondary programs by Year 8, Year 9 and Year 10 students**

School principals are required to seek permission from the Authority for:

- Year 8 or 9 students to have VET achievements contribute towards the WACE
- Year 10 students to have WACE ATAR unit achievement contribute towards the WACE.

Permission will be granted for VET units of competency/VET qualifications on the basis that these studies are part of a longer-term program where:

- students are in remote community schools where learning programs relate directly to the local industry; or
- students are accessing VET as part of an individual education program (IEP), or
- a valid opportunity has been presented which supports an ongoing and coherent training pathway.

Permission will be granted for WACE ATAR units on the basis that these studies are part of a longer-term program where:

- students are either gifted and talented; or
- are accelerated language students.

A signed declaration by the school principal is needed to ensure that by offering the WACE ATAR units and/or VET units of competency/VET qualifications, the school agrees to the following conditions:

- the syllabus is delivered and assessed in accordance with the Authority's assessment and moderation policy and procedures for WACE ATAR units
- the teaching and learning program and the assessment program is subject to the Authority's moderation process for WACE ATAR units
- the enrolment and achievement data are submitted and verified in accordance with the Authority's published requirements for WACE ATAR units and VET enrolment and achievement.

There are two forms which can be completed. One of the forms relates to the enrolment and recording of achievement in WACE ATAR units for Year 10 students. The other form relates to the enrolment and recording of VET achievement for Year 8 and Year 9 students.

**The form/s should be completed and returned to Senior Consultant – Certification, at the School Curriculum and Standards Authority, no later than Thursday, 26 March 2015.**
